ARTICLE 1

NAME AND DEFINITIONS

Section 1.1. Name. The name of the association shall be Canter Crest Property Owners Association, Inc. (the "Association").

Section 1.2. Definitions. Terms specifically defined in the Declaration of Covenants, Conditions, Easements, and Restrictions for the Canter Crest Community, as it may be amended from time to time, and including all attachments (hereinafter referred to as the "Declaration") shall have the same meaning in these Bylaws, unless the context shall otherwise prohibit. In addition, any capitalized word not defined in the Declaration, unless it is plainly evident from the context of these Bylaws that a differing meaning is intended, shall, as used herein, have the meaning as set forth in North Carolina General Statutes Section 47F-1-103.

ARTICLE 2

MEMBERSHIP AND VOTING

Section 2.1. Membership. A Person shall automatically become a member of the Association upon such Person's acquisition of an interest in a Lot in fee simple and may become a member in no other manner. A Person having an interest in a Lot solely by virtue of a contract for purchase or as security for an obligation shall not be a member of the Association. If more than one Person owns a Lot, then all of the Persons who own such Lot shall be members of the Association. Membership in the Association shall be appurtenant to and may not be separated from the ownership of a Lot. Members shall each be entitled to one (1) vote for each Lot owned; provided, however, when more than one Person holds an interest in any Lot, then all such Persons collectively shall be entitled to one (1) vote for each Lot collectively owned. The vote of such multiple Owners of a Lot shall be exercised as they, among themselves, shall determine (subject to the provisions of Section 2.6(b) below), but in no event shall any fractional vote be counted or more than one (1) vote be cast with respect to any Lot.

Section 2.2. Notice of Membership. Membership in the Association is mandatory. Upon acquiring title to a Lot, each new Owner immediately shall give written notice to the Secretary of the Association stating the name and address of such new Owner and the Lot acquired by such new Owner. If the new Owner fails to give the Secretary such notice within thirty (30) days of acquiring title to such Lot, then the costs of locating such new Owner and reasonable record keeping costs incurred by the Association may be assessed against such Owner as is set forth in the Declaration.

Section 2.3. Transfer of Membership. Memberships are not transferable. Membership occurs only upon the occurrence of those events set out in this Article and the Declaration.

Section 2.4. Fines, Penalties, and Suspension or Termination of Membership.

The membership rights of a member shall not be suspended so long as the member is not in violation of any provision of the Association Documents and is not in default in the payment of any assessment, installment, or any other amounts owing to the Association pursuant to the Declaration. However, provided that the Association complies with the hearing procedures set forth in the Declaration and Section 47F-3-107.1 of the North Carolina Planned Community Act, the Association shall have the right, consistent with applicable provisions of the Declaration and these Bylaws, to impose a fine and/or penalty, undertake remedial action permitted under the Declaration, and suspend voting and/or other privileges or services to an Owner for (a) violations of the Association Documents, or (b) during any period that assessments or other amounts due and owing to the Association remain unpaid for a period of thirty (30) days or longer. The membership of a member in the Association shall terminate automatically upon such member being divested of such Person's ownership interest in a Lot, regardless of the means by which such ownership interest may be divested (other than by means of a security interest, such as a deed of trust).

Section 2.5. Vote/Voting Rights. Each member of the Association shall be entitled to the voting rights set forth in Section 2.1 and this Section. Members shall be entitled to vote on all matters as to which members may be entitled to vote under the North Carolina Nonprofit Corporation Act and the North Carolina Planned Community Act, unless specifically provided otherwise in these Bylaws, the Articles, or the Declaration. In addition, members shall be entitled to vote on any other matters specifically provided for in the Declaration.

Section 2.6. Additional Provisions Governing Voting.

(a) Association Votes. If the Association is an Owner of a Lot, the Association shall not cast the vote appurtenant to such Lot, nor shall any such vote be counted for the purpose of establishing a quorum.

(b) Multiple-Person Owners. In the event that any Lot is owned by more than one Person, and if only one of such Persons is present at a meeting of the Association, that Person so present shall be entitled to cast the vote for that Lot. If more than one of such Persons is present, the vote appurtenant to that Lot shall be cast only in accordance with unanimous agreement of such Persons who are present at the meeting, and such agreement shall be conclusively presumed if any of such Persons purports to cast the vote appurtenant to that Lot without protests being made forthwith to the individual presiding over the meeting by any of the other Persons having an ownership interest in the Lot.

(c) Voting Certificate. If a member is not a natural person, the vote by such member may be cast by any natural person authorized by such member. Such natural person must be named and a certificate signed by an authorized officer, partner, member, or trustee of such Person and filed with the Secretary; provided, however, that any vote cast by a natural person on behalf of such member shall be deemed valid unless successfully challenged prior to the adjournment of the meeting at which the vote is cast. Such certificate shall be valid until revoked by a subsequent certificate similarly executed and filed with the Secretary. Whenever the approval or disapproval of a member is required by any of the Association Documents, such approval or disapproval may be made by any

person who would be entitled to cast the vote of such member at any meeting of the Association.

(d) Delinquency. No member may vote at any meeting of the Association, be nominated to serve on the Board, be elected to serve on the Board of Directors, or be appointed to serve on any committee if payment by such member of any financial obligation to the Association is delinquent more than thirty (30) days and the amount necessary to bring the account current has not been paid by the record date set pursuant to Section 3.7 hereof for the applicable members' meeting (in the case of a member voting or being elected to serve on the Board of Directors) or has not been paid by the date of appointment, in the case of appointment to serve on any committee.

Section 2.7. Manner of Voting. Voting by members at a meeting, except for the election of directors which shall be by written ballot, shall be by voice vote or a show of hands unless any member present at the meeting requests, and by an affirmative vote of a majority of the votes cast the members consent to, a vote by written ballots. Except for the election of directors as provided in Section 4.1 herein, if a quorum is present, action on a matter at a meeting of members shall be deemed approved if approved by the affirmative vote of a majority of the votes cast, unless a greater vote is required by the North Carolina Nonprofit Corporation Act, the North Carolina Planned Community Act, the Articles of Incorporation, the Bylaws, or the Declaration.

Section 2.8. Proxies. Members may vote either in person or by an agent authorized by a written proxy signed by the Owner of a Lot. If a Lot is owned by more than one Person, each Owner of the Lot may vote or register protest to the casting of votes by the other Owners of the Lot through a duly executed proxy. A proxy is void if it is not dated. A proxy shall be valid for eleven (11) months from the date of its execution unless a shorter period is expressly provided therein. All proxies shall be filed with the Secretary of the Association. A proxy given by a member may be revoked by such member by giving actual notice of its revocation to the person presiding over a meeting of the Association in oral or written form.

ARTICLE 3

MEETING OF MEMBERS

Section 3.1. Place of Meeting. All meetings of members shall be held at the principal office of the Association or at such other place within or without the State of North Carolina as shall be designated in the notice of the meeting.

Section 3.2. Annual Meetings. The annual meeting of members of the Association shall be held at least once a year. The annual meeting of members shall be held at such date and time as may be determined on an annual basis by the Board of Directors and stated in the notice of such members' meeting. The annual meeting of members shall be held for the purpose of electing directors of the Association, and for such other purposes as may be included in the notice of such meeting.

Section 3.3. Special Meetings. Special meetings of the members may be called at any time by (a) the President, or (b) the Board of Directors of the Association, or

(c) by petition of holders of at least ten percent (10%) of all votes entitled to be cast on any issue proposed in such petition to be considered at the meeting, and in which case, shall be noticed by the Secretary of the Association and the meeting shall be held within thirty (30) days of receipt of a written request signed, dated, and delivered to the Secretary. The signatures on a petition requesting a special meeting shall be valid for a period of ninety (90) days after the date of the first signature. The member petition for a special meeting shall: (1) specify the purposes for which the meeting is to be held; (2) the purposes listed must be items upon which the members have the right to vote; (3) be delivered to the Secretary in writing; and (4) be dated.

Section 3.4. Notice of Meetings. Notice of meetings of members shall be given by the President, Secretary, or other person calling the meeting by any means that is fair and reasonable, and for this purpose, written or printed notice stating the time, place, and date of the meeting shall be delivered by hand delivery or by United States mail (postage prepaid), or by electronic means, including by electronic mail over the internet to an electronic mailing address designated in writing by the member (a) not less than ten (10) nor more than sixty (60) days before the date thereof, or (b) not less than thirty (30) nor more than sixty (60) days before the date thereof, if such notice is mailed by other than first class, registered, or certified mail, to each member of record entitled to vote at such meeting, unless the North Carolina Nonprofit Corporation Act or the Association's Articles of Incorporation require that such notice be given to all members with respect to such meeting. If mailed, such notice shall be deemed to be effective when deposited in the United States mail, correctly addressed to the member at the member's address as it appears on the current record of members of the Association, with postage thereon prepaid. For this purpose, a member's address shall be the mailing address of each Lot or to any other mailing address designated in writing by the Owner to the Secretary of the Association.

Notwithstanding the foregoing, if the notice provided for above clearly would not be fair and reasonable under the circumstances then existing, then notice appropriate for the circumstances shall be given; PROVIDED, HOWEVER, THAT notice of a meeting where any of the following matters are to be voted on in all events shall be given as provided in the first paragraph of this Section: (i) director conflict of interest or indemnification, (ii) amendment to the Association's Articles of Incorporation, Bylaws, or Declaration, PROVIDED, HOWEVER, THAT the Declaration shall only be amended pursuant to the Declaration, (iii) plan of merger or dissolution, or (iv) a sale of assets other than in the regular course of the Association's activities; and PROVIDED, FURTHER HOWEVER, THAT any special notice procedure set forth in the Declaration for any of the foregoing or any other matter shall be followed in addition to the notice provisions set forth herein.

The notice of any meeting shall state the items on the agenda, including a summary or copy of any proposed amendment to the Declaration, the Bylaws or Articles of Incorporation, any budget changes, and any proposal to remove a director or officer, and shall include any other matters and a copy or summary of any proposed action that expressly is required by the provisions of the North Carolina Nonprofit Corporation Act or the North Carolina Planned Community Act. Only those matters which are stated in the notice may be acted upon at a meeting of members.

Also, notice of an annual, regular, or special meeting of members shall give notice of any matter a member intends to raise at the meeting if the Association receives a

written request of any matter the members intend to raise by the members entitled to call a special meeting pursuant to Section 3.3 ("Special Meetings") of this Article, and such written request is received by the Secretary or President of the Association at least ten (10) days before the Association gives notice of such meeting.

In the event business cannot be conducted at any meeting of members because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those present in person or by proxy. If any meeting of members is adjourned by the vote of a majority of votes cast on the motion to adjourn to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment and if a new record date is not fixed for the adjourned meeting. If a new record date for the adjourned meeting is or must be fixed pursuant to North Carolina law, notice of the adjourned meeting must be given as provided in this Section to the members of record entitled to vote at the meeting as of the new record date. As is provided in the North Carolina Planned Community Act, the quorum requirement at the next meeting of members, in the event of an adjournment because a quorum is not present, shall be one-half of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision will continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, until such time as a quorum is present and business can be conducted.

Section 3.5. Waiver of Notice of Meetings. Any member may waive notice of any meeting before or after the meeting. The waiver must be in writing, signed by the member, and delivered to the Association for inclusion in the minutes or filing with the corporate records. A member's attendance, in person or by proxy, at a meeting (a) waives objection to lack of notice or defective notice of the meeting, unless the member or the member's proxy at the beginning of the meeting objects to holding the meeting or transacting business thereat, and (b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the member or the member's proxy objects to considering the matter before it is voted upon.

Section 3.6. Quorum. Unless provided otherwise by the Association's Articles of Incorporation or these Bylaws, ten percent (10%) of the votes entitled to be cast on a matter, represented in person or by proxy, shall constitute a quorum on that matter at the opening of a meeting of members. Once a member is present or represented by proxy for any purpose at a meeting, such member is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date (set forth in Section 3.7 below) is or must be set for that adjourned meeting under the North Carolina Nonprofit Corporation Act.

Section 3.7. Record Date to Determine Members and List of Members. The date for determining which Persons are members and therefore entitled to vote ("Record Date") shall be the close of business on the seventieth (70th) day prior to the date of the meeting, unless the Board of Directors shall determine a Record Date closer to the meeting date. The Board of Directors is not permitted to set a Record Date retroactively. The membership list shall be current as of the Record Date. Before each meeting of members, the Association shall prepare an alphabetical list of the members entitled to notice of the meeting and entitled to vote at the meeting, showing each such member's address and the number of votes each such member is entitled to cast at the meeting. As a part of the aforementioned

membership list and prepared on the same basis, the Association shall list, current through the time of the membership meeting, a list of members, if any, who are entitled to vote at the meeting, but not entitled to notice of the meeting. The list shall be kept on file at the principal office of the Association for the period beginning two (2) business days after notice of the meeting is given and continuing through the meeting, and shall be available for inspection by any member, personally or by or with such member's representative, at anytime prior to the meeting. A determination of members entitled to notice of, or to vote at, a membership meeting is effective for any adjournment of the meeting unless the Board of Directors fixes a new date for determining the right to notice or the right to vote, which the Board of Directors shall do if the meeting is adjourned to a date more than one hundred twenty (120) days after the date fixed for the original meeting.

Section 3.8. Conduct of Meetings. The President shall preside over all meetings of the Association and the Secretary shall keep the minutes of the meetings and record all resolutions adopted at the meetings and proceedings occurring at such meetings. The President may appoint a parliamentarian at any meeting of the Association. The President, in his sole discretion, shall determine the procedural manner in which each meeting shall be conducted and it shall not be according to *Robert's Rules of Order Newly Revised* unless that specific determination is made by the President at the beginning of the meeting.

Section 3.9. Action by Written Ballot. Any action that may be taken at any annual, regular, or special meeting of Members may be taken without a meeting if the Association delivers a written ballot to every Member entitled to vote on the matter. A written ballot shall: (a) set forth each proposed action, (b) provide an opportunity to vote for or against each proposed action, and (c) indicate the time by which a ballot shall be received by the Association in order to be counted. Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the same total number of votes were cast. A written ballot may not be revoked.

ARTICLE 4

BOARD OF DIRECTORS

Section 4.1. Number, Election of Directors, and Terms of Office of Directors.

(a) Declarant Controlled Board of Directors. The initial directors of the Association, who shall serve as directors until their successors shall be elected and qualifies, are set forth in the Articles of the Association. Subsequent to the initial directors, and for the period of time the Declarant controls the Board of Directors pursuant to the Declaration and these Bylaws, the number of directors of the Association shall be three (3) until the earlier to occur of (a) the expiration of the Development Period, or (b) the date such right is relinquished by the Declarant by a signed document recorded in the Register of Deeds terminating the right to appoint all the directors of the Association. Except as otherwise provided in subparagraph (b) of this Section, all of the directors of the Association shall be appointed by the Declarant until the earlier to occur of (a) the expiration of the

Development Period, or (b) the date such right is relinquished by the Declarant by a signed document recorded in the Register of Deeds terminating the right to appoint all the directors of the Association. The Declarant shall appoint the aforementioned directors by written notice sent to the Secretary of the Association, which appointment shall be effective upon its receipt by the Secretary.

(b) Election of Directors by Members. As is set forth in the Declaration, upon the earlier to occur of (a) the expiration of the Development Period, or (b) the date such right is relinquished by the Declarant by a signed document recorded in the Register of Deeds terminating the right to appoint all the directors of the Association, the (i) number of directors of the Association shall be three (3), (ii) the entire Board shall be elected, pursuant to the following sentence, by the members of the Association (including the Declarant as a member for any Lot owned) with one (1) vote for each Lot owned (see Section 2.1 of these Bylaws), and (iii) all members of the Board elected by the members shall be Owners of Lots. The directors shall be elected at the annual meeting of members and those persons who receive the highest number of votes by the members entitled to vote in the election at a meeting at which a quorum is present shall be deemed to have been elected.

(c) Terms of Directors. The directors elected by the membership at the first annual meeting of members after the expiration of the Development Period shall be divided into three (3) classes, to serve in the first instance for terms of one (1) year, two (2) years, and three (3) years, respectively, and until their successors shall be elected and shall qualify, and thereafter the successors in each class of directors shall be elected to serve for terms of three (3) years and until their successors shall be elected and shall qualify. In the event of any increase in the number of directors, the additional directors shall be so classified such that all classes of directors shall be increased equally, as nearly as may be, and, in the event of any decrease in the number of directors, all classes of directors shall be decreased equally, as nearly as may be. Except as specifically provided above, each director shall hold office for a term of three (3) years or until such director's death, resignation, retirement, removal, or disqualification. Despite the expiration of a director's term, the director continues to serve as such until the director's successor is elected and qualifies, or there is a decrease in the number of directors. The term of the first Board of Directors elected by the membership shall be staggered as follows: The nominee receiving the most votes shall be elected for a term of three (3) years; the nominee receiving the next highest number of votes shall be elected for a term of two (2) years; and the nominee receiving the third highest number of votes shall be elected for a term of one (1) year. Except for directors elected to fill a vacancy (who shall hold office until the expiration of the term of the person they are replacing), all directors elected by member vote after the first meeting shall hold office for a term of three years. All ties shall be broken by coin-toss.

Section 4.2. Election Procedures and Qualifications.

(a) Nominations Committee. Nominations for election to the Board of Directors not appointed by the Declarant may be made by a Nominations Committee. If appointed by the Board of Directors, the Nominations Committee shall develop election procedures and administer such procedures as are approved by the Board of Directors providing for election of directors by members at the annual meetings, and, where appropriate, at special meetings. If appointed, the Nominations Committee shall serve from the date of their

appointment through the close of the annual meeting or, where appropriate, the special meeting, at which the election for members of the Board of Directors is to be held.

(b) Nominations. (i) Persons qualified to be directors, may be nominated for election by the Nominations Committee and the names of such persons nominated shall be submitted in writing to the President of the Association and the Board not less than sixty (60) days and not more than ninety (90) days before the meeting at which the election is to be held. The Nominations Committee may make as many nominations for election to the Board, as it shall in its discretion determine, but in no event less than the number of vacancies or terms to be filled. Any written nominations presented by the Nominations Committee shall be accompanied by a statement signed by the nominees indicating the willingness of such nominees to serve as directors. (ii) Nominations may also be made by any Member of the Association, provided such member shall then be in good standing, by submitting the nomination in writing to the President of the Association and the Board not less than sixty (60) days and not more than ninety (90) days before the meeting at which the election is to be held. Any written nominations presented by Members of the Association shall be accompanied by a statement signed by the nominees indicating the willingness of such nominees to serve as directors. (iii) If no Nominations Committee is appointed, nominations for directors may be made by the Board acting as the Nominations Committee, as specified herein. (iv) Nominations made, as specified herein, shall then be closed and every member so nominated above shall have their name on the ballot. (v) Each Proxy shall provide for votes for all nominees and shall make provision for delegating the voting for the nominees to the discretion of appointed individuals, named in writing, or to the discretion of the Secretary of the Association. In person write-in votes on ballots and proxy shall be permitted. (vi) No nominations from the floor shall then be permitted at the meeting at which the election is to be held. (vii) Nominations from the floor shall only be permitted in the event that no Nominations Committee is appointed and the Board of Directors does not act as the Nominating Committee.

(c) Qualifications. Except for directors appointed by the Declarant, no person shall be eligible for election by the members of the Association as a director unless such person is an Owner or is the individual nominee of an Owner which is other than an individual. No Owner or representative of such Owner shall be elected as a director or continue to serve as a director (a) if the member is more than thirty (30) days delinquent in meeting any financial obligation owed to the Association, if such delinquency is not cured by the record date set pursuant to Section 3.7 hereof for such members' meeting in the case of an election of directors, or (b) if the member otherwise is in violation of any provision of the Association Documents.

Section 4.3. Voting, Quorum, and Manner of Acting. Each director shall be entitled to one (1) vote on all matters that come before the Association. A majority of the directors in office immediately before a meeting begins shall constitute a quorum for the transaction of business at any meeting of the Board of Directors. Unless a vote of greater percentage is required by the Association's Articles of Incorporation, these Bylaws, the North Carolina Nonprofit Corporation Act, the North Carolina Planned Community Act, or the Declaration, the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. A director who participates in a meeting by any means of communication by which all directors may simultaneously hear each other during the meeting shall be deemed present at a meeting for all purposes.

Section 4.4. Removal or Resignation of Directors and Filling of Vacancies.

(a) Any director not appointed by the Declarant may be removed from office at any time with or without cause by a majority vote of all members present and entitled to vote at any meeting of members at which a quorum is present. A director may not be removed by the members at a meeting unless the notice of the meeting states that the purpose, or one of the purposes, of the meeting is the removal of the director so stated to be removed. If any directors are so removed, new directors may be elected at the same meeting. In addition, any director not in attendance at three (3) consecutive regular meetings of the Board of Directors shall be removed automatically. A director appointed by the Declarant may be removed with or without cause by the Declarant by written notice of such removal sent by the Declarant to the Secretary of the Association, which removal shall be effective when the notice of removal is received by the Secretary.

(b) A vacancy in the Board of Directors caused by a removal of a director by the members shall be filled by a vote of the members. A vacancy among the directors of the Board of Directors (not appointed by the Declarant) caused by any reason other than the removal of a director by the members shall be filled by the remaining directors at a meeting of the Board of Directors held for such purpose promptly after the occurrence of such vacancy. If the directors remaining in office do not constitute a quorum of the Board of Directors, the directors may fill the vacancy by the affirmative vote of a majority of the remaining directors, or by the sole remaining director, as the case may be. A vacancy of a directorship appointed by the Declarant shall be filled by the Declarant by written notice of such appointment to the Secretary of the Association. The term of a director elected to fill a vacancy in a directorship elected by members expires at the next election of directors by members, and the term of the director filling any other vacancy expires at the end of the unexpired term that such director is filling.

(c) A director may resign at any time by giving notice to the Board of Directors, the President, or the Secretary. Unless otherwise specified, such resignation shall take effect upon the receipt thereof and the acceptance of such resignation shall not be necessary to make it effective. A director shall be deemed conclusively to have resigned upon disposition by the Owner of the Lot which made such individual eligible to be a director or upon any other event of disqualification set forth in these Bylaws.

Section 4.5. Powers and Duties of the Board of Directors. The business and affairs of the Association shall be managed and directed by the Board of Directors. Except as provided below, the Board of Directors shall have all of the powers and duties necessary for the administration of the affairs of the Association, including, but not by way of limitation, all powers as set forth in Article 3 of Chapter 55A of the North Carolina General Statutes (North Carolina Nonprofit Corporation Act) and Section 47F-3-102 of the North Carolina Planned Community Act, but may not do any such acts and things which are (a) required by the Declaration, the Bylaws, or the Articles to be exercised and done by the members, or (b) reserved in the Declaration to be done by the Declarant; provided, however, that all such powers, duties, acts, and things shall be exercised consistent with the provisions of the Declaration, the Bylaws, and the Articles of Incorporation. Notwithstanding any other provision of these Bylaws, neither the Association, the members, nor the Board of Directors may take any action that affects the Declarant's rights as reserved in the Declaration or

amend these Bylaws in any manner so as to affect Declarant's rights set forth in the Declaration or these Bylaws. The Board of Directors may delegate to one of its members or to a Person employed for such purpose the authority to act on behalf of the Board of Directors on such matters relating to the duties of the managing agent (as defined in Section 5.3 hereof), if any, which may arise between the meetings of the Board of Directors as the Board of Directors deems appropriate. In addition to the duties imposed by any other provision of the Declaration or by any resolution of the Association that hereafter may be adopted, the Board of Directors shall perform the following duties and take the following actions on behalf of the Association, subject to any voting rights of the members provided by the Declaration, these Bylaws, and the Articles, or by law:

(a) Provide goods and services to the members in accordance with the Declaration.

(b) Designate, hire, dismiss, and where appropriate, compensate the personnel necessary to provide goods and services to the Owners, as provided for in the Declaration, as well as purchase equipment, supplies and materials to be used by such personnel in the performance of their duties.

(c) Collect the assessments specified in the Declaration, deposit the proceeds thereof in depositories designated by the Board of Directors and use the proceeds to carry out the purposes of the Association, as provided in the Declaration.

(d) Adopt, amend, and repeal any reasonable rules and regulations not inconsistent with the Declaration and these Bylaws.

(e) Open bank accounts on behalf of the Association and designate the signatories thereon.

(f) Enforce by legal means the provisions of the Association Documents as are in effect from time to time.

(g) Act with respect to all matters arising out of any eminent domain proceeding affecting the Common Areas of the Association.

(h) Notify the members of any litigation against the Association involving a claim in excess of ten percent (10%) of the amount of the annual budget.

(i) Obtain and carry insurance pursuant to applicable provisions of the Declaration and pay the premiums therefor and adjust and settle any claims thereunder.

(j) Pay the cost of all authorized goods and services rendered to the Association and not billed to Owners of Lots or otherwise provided for in the Declaration.

(k) Acquire, hold, and dispose of Lots and mortgage the same without the prior approval of the Association if such expenditures and hypothecations are included in the budget.

(l) Establish and charge reasonable fees for the use of the Common Areas, Limited Common Areas, and for services.

(m) Suspend the right of any Owner or other user of a Lot, and the right of such Person's household, guests, employees, customers, tenants, agents, and invitees to use any recreational facilities, areas, or amenities located in the Common Areas and/or subject to the hearing procedures provided in the Declaration.
